BLAKE HOUSE

Museum of Historical
Artifacts of Fitzwilliam

Blake House was built in 1837 by Levi Haskell. After several transfers the property was bought by Amos J. Blake, Esq. in 1865.

Amos Blake served our town for many years, as state legislator, bank commissioner, moderator, selectman, "Superintending School Committee", President of Fitzwilliam Savings Bank. A self made lawyer, he was admitted to the U.S. District Court in 1867. After the Civil War he served on a committee of three to fund the war debt. Many veterans of that war benefited from his untiring efforts to assist them. He died in 1925.

Amos Blake left his estate to his only son Leroy S. Blake. Upon Leroy's death in 1965, his estate was inherited by a close relative, Mrs. Ida Northup.

In memory of the Blake family, she gave the house to the Fitzwilliam Historical Society. Its purpose "--to discover and collect and preserve" Fitzwilliam Historical artifacts is now made possible. Fulfillment of this objective reaches out to everyone.

TOWN CLERK

SELECTMEN$ REPORT

TOWN HALL

A number of projects have been carried out this year in the Town Hall, among them the installation of a fire detection system as approved at last year's Town Meeting, sanding and refinishing the floors in both the Selectmen's office and the Town Clerk's office, the purchase and installation of an emergency lighting system, replacement of exterior lighting on the fire escape, and the installation of a new coat rack in the downstairs hallway. We have recommended that $6,000. be appropriated for use on the Town Hall. In addition to our normal expenses, we have several projects which should be done, including replacing the carpeting in the entrance area, replacement of the flue pipe from the furnace to the chimney, and replacement of the linoleum in the toilets. It is necessary that we continually keep after these small projects if we are going to maintain our building in good condition.

The committee formed at last year's Town Meeting to formulate rules, regulation and set rates for the use of the Town Hall submitted their proposed regulations to the Board of Selectmen and these were adopted in June. A copy of these rules and regulations, together with the rates, will be found elsewhere in this year's Town Report. We would like to emphasize that all requests for use of the Town Hall be submitted to the Town Hall Agent. This includes public meetings and hearings held by various town committees, as well as activities of local organizations. Applications are available either at the Town Hall or from the Town Hall Agent. The use of applications by everyone using the Town Hall will allow the Town Hall Agent to keep a schedule as to the building use, avoid conflicting dates, and insure that the Town Hall will be open and properly set up for your event.

TOWN HIGHWAYS

Fitzwilliam has the unenviable position of far too many miles of town road in relation to the size of the population who have to support the maintenance on these roads. Over the years the cost of highway maintenance has been the largest item in our town budget, however adequate money has not been appropriated to accomplish the amount of work which needed to be done. It would appear that we are going to have to spend a great deal in the future on our roads than we have in the past if we are going to maintain them in an acceptable manner.

The Board of Selectmen at the present time are working on an evaluation of all the roads in town in order to determine just how much work is required. The next step will be to develop a long range plan for accomplishing this work. This plan would include a schedule as to what roads need complete rebuilding and establish priorities in this regard. We also feel there should be a schedule of resurfacing or oiling of roads to insure that each road is re-oiled on a regular basis and a schedule for the extensive repair of culverts, headwalls and the ditching of roads on a road by road basis. The program developed would have to be flexible enough to adapt to changing road conditions, changing priorites and the funds appropriated for any given year. We would envision that a program of major road maintenance projects

would be in addition to this routine jobs of road maintenance, such as patching, cutting back brush, mowing shoulders, emergency repairs to culverts, plowing, sanding, etc. There are many advantages to this type of a program. It establishes very clear targets as to what must be accomplished each year. Once the major projects for the year have been established, a week by week schedule can be established to insure that the targets are met, It provides a means for all of our residents to know when we would expect to do the major projects required on their road, and it provides a basis for budgeting the monies that would be required to maintain the program.

TOWN DUMP

Once again we would like to bring to your attention the fact that we are not meeting State Pollution Control Standards in our disposal of solid waste. You are probably aware from reading the newspapers that the deadline to stop burning at dumps in towns with a population under 2,500 has been extended to July 1977. This provides the Town with approximately fifteen months to institute the necessary changes and bring our operation up to state standards. The State has continued to extend this deadline, however at this point we have no reason to believe that further extensions will be granted, and we believe the Town should proceed on the assumption that July 1977 is in fact the deadline. Progress towards a solution to this problem has not been made during 1975. We are of the opinion that the generally accepted notion that a sanitary land fill is the answer may not necessarily apply in Fitzwilliam. It would appear that there are other alternates and we believe there is a real need at this time for a good working committee willing to put in the necessary time to investigate all of the possible solutions, and make recommendations as to what solution would be in the best interest of the Town.

This past year we have contracted with Mr. Nolan to provide for a dump attendant. We are working towards maintaining our present dump in a more acceptable manner and we recommend that $3,500. be appropriated so that an adequate fence can be constructed accross the front of the dump. As part of Mr. Nolan's contract we have given him sole salvage rights to any materials in the dump area and he has been conducting a recycling program for glass, metals and newsprint. We are encouraging Mr. Nolan to expand his recycling operation and we would like to encourage all of the residents to co-operate in this effort. By Maximizing Mr. Nolan's return on his recycling operation, we will be able to minimize the cost to the Town of having Mr. Nolan at the dump.

POLICE DEPARTMENT

The untimely passing of Chief Edwin Schimke was a severe loss to our community. For almost ten years Chief Schimke served our town often at great personal sacrifice. His services to our community will long be remembered.

The Board of Selectmen appointed Kurt Schimke first on an acting basis and later as permanent Chief. Kurt brings to the department a very professional attitute and a great deal of initiative. Through his efforts a second full-time officer was hired with federal Manpower funds. The part-time officer force has been expanded and consists of a group of highly qualified and competent officers. Federal grants were received to purchase readio equipment, and institute a

crime prevention program. It should be brought to your attention that with only two full time officers it is not possible to have a man on duty twenty four hours a day. It does mean however that together with part-time help we have been able to expand our coverage. This alone won't eliminate crime in our community but we do feel it helps considerably. We urge that you continue to support this effort.

RESCUE SQUAD

We wish to commend the members of the Fitzwilliam Fire Department Rescue Squad for the fine service they provide our community. The members undergo an extensive course including time at a local hospital emergency room.They respond to accidents and other medical emergencies prepared to administer first aid, stabalize the patient and prepare him for transit. The members not only serve without pay, but also have raised their own funds to purchase the equipment they require. We feel that this is a tremendous service for our town and we urge our residents to support their activities.

FIRE MUTUAL AID

One of the finest services offered our town is the fine Mutual Aid System-maintaining a twenty four hour a day dispatch center. They are always available when you need assistance. We feel it should be brought to your attention that the mutual aid center not only handles fire calls but also dispatches our rescue squad, ambulances, and our police department, as well as several other agencies. We would urge you to call the mutual aid center in Keene at 352-1100 for all emergencies. This will assist not only our fire department but our rescue squad and Police department in responding promptly.

INVENTORY FORMS

The 1976 Inventory Forms of taxable property will soon be in the hands of all owners of property within the town. The Selectmen urge that these be filled out as completely as possible, especially as to alterations of buildings and to property sold or purchased. The Board also requests that residents give special attention to the last page in regard to the Census Requirement. This information is needed to determine who should receive the Elderly Exemption Application Forms. Also the Board needs this information to certify to the state the population of the town to determine the amount of money to be returned to the town under the Room and Meals Tax Law. The timely return of the Inventory Form is also important in the case of a taxpayer who wishes to file for an abatement of taxes.

BUILDING PERMITS

This is the second year of the Town's requirement for building permits. During 1975, twenty-seven permits were issued compared to 35 for the previous 9 months. Of this number 12 permits were for new homes or structures, 11 for alterations, 1 seasonal, 1 temporary and 1 regular mobilehome, and 1 cancellation. The co-operation of those wishing to build or make alterations has been good, it has been helpful to the Board and we trust that it has not been inconvenient or burdensome to those planning new construction or alteration

FINANCIAL CONDITION

The financial condition of the Town is good. A comparison of the surplus December 31, 1974 and December 31, 1975 shows an increase from $37,970. to $76,852. or $38,882. This was due in part to the sale of tax deeded property and unexpended balances of appropriations. While some of this surplus is represented by uncollected taxes the Board concurs with the recommendation of the Budget Committee that $35,000. of this surplus be used this year to reduce the amount necessary to be raised by taxation to balance the 1976 budget.

The Board expresses its' appreciation to the other officers of the Town for their co-operation and to the members of the several committees for the time and effort in carrying on the functions of the Town.

Respectfully submitted,

BOARD OF SELECTMEN
John R. Damon
Howard C. Holman
Thomas F. Parker

TOWN HIGHWAY GARAGE COMMITTEE REPORT

Progress towards a new Highway Department garage has been stalled this year pending acquisition of a site.

The 1975 Town Meeting appropriated $4,000.00 for the purchase of a specific site. This land has been tied up in probate throughout 1975 and could not be purchased. In January 1976 the estate was settled and we are now in the process of preparing an offer to the owners. We have hopes that during 1976 this land will be purchased for the Town.

The Highway Garage Committee proposes to commence work on a recommendation for a building as soon as the land is purchased. We propose to present our recommendation at Town Meeting in 1977.

TOWN BUILDING RENTAL COMMITTEE

This Committee was established at the 1975 Town Meeting to write a policy in regards to the rental of town buildings.

Several meetings were held including a public hearing. A new policy was written and adopted by the Board of Selectmen in June 1975.

Copies of the rental policy are available in the Board of Selectmens' Office. The Policy is printed in this Town Report.

FITZWILLIAM PLANNING BOARD
REPORT 1975

1975 was an active year for the Planning Board. There were 15 sub-division requests-14 were approved and one was denied. The denial was decided upon after long and careful consideration, inspection by members of the Board and finally a soil survey by the United States Soil Conservation Service the result of which bore out the negative report made by the Board members who inspected the property.

The Fitzwilliam Conservation Corporation sub-division request, with the final objective of 13 lots on the Rhododendron and Richmond Roads, required six months to complete-from July through December. The steep slopes and water courses plus the difficulty of building PRIVATE roads to required Town specifications created many problems. The sub-division was finally approved with six Board members approving and one member not in favor. However, the approval was subject to a legal agreement between the Planning Board and the Fitzwilliam Conservation Corporation, registered at the Cheshire County Register of Deeds and specific road and drainage requirements written on the survey map also registered with the Register of Deeds.

The Southwestern New Hampshire Regional Planning Commission which Fitzwilliam joined in 1975 has proven to be an invaluable guide. They are up to date on new Federal and State legislation and give generously of their knowledge in both the mechanical and legal fields. At a cost of .68¢ per capita for Fitzwilliam, it is a bargain!

FITZWILLIAM SUMMER RECREATION 1975

The staff at the summer recreation center has been increasing as the attendance and the program has. This summer we increased our facilities tremendously with the new recreation area and consequently increased our staff. Miss Kathy Linsky and Lois Green were co-directors, John Bill was the tennis instructor, Mary Lafrenniere and John Guidotti were assistants. In addition, the Neighborhood Youth Corps provided three other teenagers, Gary Pierce, Debra Coulomb, and Roxanne Pierce as playground assistants.

The program was available on a daily basis, Monday through Friday, 9:00-2:00 for 7 weeks. There were plenty of scheduled activities as well as time for youngsters to use the facilities for their own entertainment. Regular activities were the tennis, lessons, archery shoots, softball, foursquare, and floor hockey competitions, kite making and flying, bike hikes and bike rodeos. There were special events scheduled throughout the summmer such as trips to the KSC Summer Theatre and to Camp Takodah; special classes at Laurel Lake in canoeing and kayaking; Red Cross swimming lessons at the Fitzwilliam Inn pool; the very special annual family cookout.

Thanks go to Mr. Wallace for the use of the Fitzwilliam Inn pool; to Franklin

Pierce College for the use of their waterfront; to the Cheshire County YMCA for the use of Camp Takodah; to the Red Cross for swimming lessons; to the Elliot Fund for the trips to the KSC Summer Theatre; and to the Neighborhood Youth Corps for our teen assistants.

FIREWARDS REPORT 1975

WARRANT ARTICLE

Please read the Warrant for the Article on a proposed change for electing the Firewards. As indicated in the article, the Fireward would be elected in 1977 for a staggered term of office; one for a 3 year term; one for a two year term; and one for a one year term. Anyone interested in being a fireward would file for the indicated position of choice. There after only one would be elected for a three year term each year. As firewards we feel this is a more effective way of providing responsible leadership in the fire dept. We hope that you will vote in favor of the article.

RESCUE WORK

The Rescue squad answered 33 alarms in 1975. The members of the squad are not paid for these calls and the Firewards wish to express their sincere thanks for a job well done. Please help support their fund drive for equipment.

AMBULANCE COVERAGE FOR FITZWILLIAM

An article in the Warrant requests a subsidy for the Foley Ambulance Service (operated by Robert DiLuzio) to service Fitzwilliam from March 15, 1976 - March 15, 1977. Questions on the Troy Ambulance are sure to be in peoples minds. At present Troy Emergency Group do not have an ambulance, but hope to have one in service in 1976. If such a service is provided the Town of Fitzwilliam has been promised service, if requested for emergency calls only. Not to be used for transfers or non-emergency services. The subsidy does not mean free ambulance service. The users of the Foley service will still receive a bill for this service. At the present time, the Firewards cannot see any other way but to recommend paying the subsidy for 1976. We will review the service before 1977 Town Meeting.

NEW FIRE TRUCK

Not this year. The Firewards feel with the additional money in the budget for the capital reserve fund, that in 1977 a new vehicle can be purchased without asking for additional tax money. A new truck will be on the request list for 1977. At present the Fire Department has vehicles as follows:
1965 International 750 Gal. midship pumper. 750 gallons of water-now 11 years old; 1954 Ford 500 gal. front end pumper, 500 Gallons of water-22 years old; 1957 GMC Government Surplus truck from the Forrestry Dept. State of N.H. Tanker, 500 G.P.M. Gal. Pump, 1500 Gallons of water, Chassis good shape, but tank in poor condition; 1950 Ford Tanker 1200 gal. water, 150 gallons P.M. pump. This unit is not in good condition. 1936 Stuart-no pump. Forest fire unit for hand tools and hose. At present this unit is used for forest fires only or as a service truck at fires in the summer.

MONEY DONATIONS

The Fire Department sponsored the 4th of July chicken Barbeque and fireworks, the Sled dog races in January, and financial support to many town organizations.

SPECIAL THANKS

A special "THANK YOU" to Robert and Marolyn Dunton for the many years of operating the fire radio in their home. The Firewards appreciate the time that has been given for this service.

Respectfully submitted,

FIREWARDS

FITZWILLIAM POLICE REPORT 1975

Federal funding has played a major role in expanding this Department's capability. The federal Manpower program has financed a full time officer since April, 1975. In addition, funds through the Governor's Commission on Crime and Delinquency have financed base station and portable radios, as well as our recently instituted Crime Prevention Program, all at a cost of only 5% to Fitzwilliam.

We have been attempting to increase services to the public, and focus our work on the Town's greatest concern, burglaries. Though somewhat premature, some success has been evident by the reduction of the fall season's usual high rate of burglaries.

Local law enforcement always needs to increase and improve in contrast with the increase of local crime. Our continued growth is necessary to remain effective through the near future. The following statistics are a result of more sophisticated records, but crime in general has obviously been on the rise. In these areas, public concern and co-operation is the best means of dealing with the problems, and as always we urge your assistance.

Unfortunately, the death of a resident on our highways has marred yet another year. We intend to do our part to curb this senseless loss, and hope that all will contribute to highway safety. A special thanks is more than due the Rescue 10 EMT squad of the Fire Department in this endeavor.

On behalf of this department, I wish to extend my appreciation to area law enforecment and Town agencies, as well as to local residents for their co-operation and assistance this past year.

LIBRARIAN'S REPORT 1975

Library circulation of books, magazines and records in 1975 totaled 9911, an 18% increase over 1974. Of these, 1,247 were books on loan to us from the Bookmobile. One hundred-four books were ordered from the New Hampshire State Library on special request for individuals of the town.

A total of 316 new books were acquired during the year, all adult fiction being purchased through funds provided by the Friends of the Library and all non-fiction and magazines purchased through the trust funds. A special donation from the Friends of the Library of $100 enabled us to virtually double the Junior fiction budget, which has previously been funded only from fine money. From a fund in memory of Sean Leary we have purchased a shelf of books on natural history, crafts and sports for the use of the Juniors.

The addition of approximately 125 feet of shelving in the Junior Reading Room was accomplished with the Trustee's approval on the basis of a plan submitted as a project for my spring course in Library Administration. Mr. Roche did an excellent job building the new shelves. This has enabled us to move the Junior fiction from the stacks into the Junior Reading Room where they are readily accessible. It has also provided additional space for expansion in the adult fiction stacks.

Mrs. Fletcher again administered a summer reading program for the Juniors and Paula Baldwin conducted a weekly story hour for pre-schoolers throughout July and August.

Substitutes who carried on Mrs. Fletcher's duties through the winter months were: Mrs. Richard Lundsted, Miss Mabel Sturtevant, Mrs. Robert Schumann, and Mrs. Alden Farrar.

A committee of the Friends of the Library continued the covering of all new book jackets with plastic.

With volunteer assistance, ninety-two obsolete books were discarded from adult fiction.

Repectfully submitted,

Mary Thompson
Librarian

On January 23, 1976 Fitzwilliam Library received congratulations from the State Library Commission for meeting the qualifications of the Statewide Library Development Program. A Certificate of Merit is to be presented to the Fitzwilliam Library on February 5, 1976 at the State Library in Concord.

FITZWILLIAM BECENTENNIAL COMMITTEE OF AMERICAN REVOLUTION REPORT

Under Article 10 of the 1975 Town Meeting, the sum of $500.00 was voted for the observance of the American Revolution Becentennial in 1976.

The Bicentennial Committee wishes to thank all those who made the raffle of the handmade quilt a success, which netted the sum of $600.00. The Committee then made application to the State Bicentennial Commission for matching funds (which was approved): this to be used toward the publication of Richard West's book The Story of Fitzwilliam. Monies received from the sale of this book will also be used to defray costs.

The Committee made a study of the returned Questionnaire, which were sent out in February 1975, and has worked out the following tentative programs, along with other interested organizations:

1. The publication of The Story of Fitzwilliam.
2. Historical Town Brochure and Tour Map.
3. Town Bicentennial Calendar of events.
4. Colonial Crafts Day and Fife & Drum Concert, Aug 7, 1976.
5. Historical Marker for those who served in the Revolution from Fitzwilliam.
6. Official Presentation of the American Bicentennial Flag, May 31, 1976 to the Town.
7. Colonial Church Service.

It is hoped that a possible sum of $2,000. be voted for the Memorial Marker and another Band Concert, $1,000. of which to be off-set by money from Article 10 and State Bicentennial Commission.

It is hoped that any monies gained by these programs will be turned back to the Town, Placed under a special fund to be used for a 2nd Volume of Town History.

CEMETERY REPORT-1975

This year we have done alot with special funds without asking the town for any special appropriations.

Several lots were repaired or reseeded with Trust Funds money. Also, the Town Tomb and the tool shed was repaired so we could use it again. The shed had to be jacked up and leveled so that the door could be closed and locked. The town tomb was leaking very badly and the door was difficult to open. These were both corrected with special funds.

Also, with the Walter Perry Special Fund, eight headstones were re-set with compound. Another 22 stones were straightened and 3 curbs were re-set.

We have made good use with our money this year; but I do feel we need extra money appropriated this year for the general care of the cemeteries. Both cemeteries are constantly growing and tools, gas, oil, repairs, and labor are on the increase; we definitely need an additional amount appropriated this year.

There should be some thought given for water at Pine Grove Cemetery and re-surfacing the roads in the Pine Grove Cemetery.

Repectfully submitted,

Gladys B. Dunham
Superintendent of Cemeteries
